

**GURU GOBIND SINGH
INDRAPRASTHA UNIVERSITY**
(Established by Govt. of NCT of Delhi)
(**'A'** Grade NAAC Accredited University)

ADMISSION BROCHURE - I **Professional Programmes**

We transform students into professionals at Guru Gobind Singh Indraprastha University. While doing so, we ensure that the graduates use all the three H's essential for any Total Quality Person, i.e., they learn to use their *Head, Hands* and *Heart* thus creating the desired synergy between intellectual rigour, skills and value system. We are guided by the old saying "Learn as if you are going to live forever," thus ensuring that "graduation" is not a terminal event but the "beginning" of professional career, where graduates will tread forever successfully.

Prof. K.K. Aggwaral
Vice-Chancellor

PROFESSIONAL PROGRAMMES

Master of Business Administration - MBA
 Master of Computer Applications - MCA
 Master of Computer Applications (Software Engineering) - MCA(SE)
 Master of Mass Media - MMM
 Master of Science (Environment Management) - M.Sc (EM)
 Master of Law - LL.M
 Master of Arts (English & Communication Studies) – M.A. (Eng. & Comm.)
 Master of Physiotherapy (Musculoskeletal) - MPT (Muscu)
 Master of Physiotherapy (Neurology) - MPT (Neuro)
 Master Occupational Therapy (Musculoskeletal) - MOT (Muscu)
 Master Occupational Therapy (Neurology) - MOT (Neuro)
 Master of Prosthetics and Orthotics - MPO
 Bachelor of Business Administration - BBA
 Bachelor of Business Administration (Banking & Insurance) - BBA (B&I)
 Bachelor of Business Administration (Computer Aided Management) - BBA (CAM)
 Bachelor of Business Administration (Tour and Travel Management) - BBA(T&TM)
 Bachelor of Computer Applications - BCA
 Bachelor of Journalism (Mass Communication) - BJ(MC)
 Bachelor of Art and Bachelor of Law (Hons.) - B.A.,LL.B(H)
 Bachelor of Business Administration and Bachelor of Law (Hons.) - BBA.,LL.B(H)
 Bachelor of Education - B.Ed
 Bachelor of Hotel Management & Catering Technology - BHMCT
 Bachelor of Pharmacy - B.Pharma
 Bachelor of Science (Hons.) Nursing - B.Sc (H) N (Only for Unmarried Female Candidates)
 Bachelor of Physiotherapy - BPT
 Bachelor of Occupational Therapy - BOT
 Lateral Entry to Bachelor of Pharmacy - LE - B.Pharma

Attention : A duly numbered Application Form is separately available alongwith each copy of this Brochure. A separate application form has to be filled up for each programme having distinct Test Code Number.

UNIVERSITY PROFILE

General

Guru Gobind Singh Indraprastha University has been established by Government of NCT of Delhi under the provisions of Guru Gobind Singh Indraprastha University Act, 1998 read with its Amendment in 1999. This is an affiliating and teaching University that aims to facilitate and promote studies, research and extension work in emerging areas of higher education with focus on professional education in the disciplines of engineering, technology, architecture, management, law, medicine, pharmacy, physiotherapy, nursing, education, journalism and mass communication, etc. The University has been accredited as Grade 'A' by the National Assessment and Accreditation Council (NAAC). Further, the initiative has been taken by the University for ISO 9001:2000 certification.

Within a span of nine years, the University has been able to make its presence felt the world over. It is running more than 60 programmes in 10 University Schools of Studies and 80 Institutes (Government as well as self-financing), imparting professional education to more than 38,000 students with an annual intake of about 12,000. The students of this University are getting excellent placements in best of the companies like TCS, Infosys, Wipro, DCM Technologies, Tech. Mahendra, Quark, ST Microelectronics, Ranbaxy, Pepsi, HDFC, ABN Amro Bank, ICICI Bank, Air-Tel, Nestle, LG, Reliance, Oracle, Max Healthcare, Whirlpool, Singapore Telecom, Sony India Ltd., Crisil, NSE and so on.

New Courses

The University has recently started a number of new programmes of societal relevance such as MBA (Disaster Management/Real Estate/Software Enterprise), PG Diploma (Electronic Media/Disaster Preparedness and Rehabilitation), Masters of Journalism (Mass Communication), Masters of Prosthetics and Orthotics, Masters of Occupational Therapy (Musculoskeletal/Neurology), Masters of Public Health (Field Epidemiology), Master of Mass Media, M.A.(English & Communication Studies) and M.Tech. (Engineering Physics). Believing in the philosophy of continuing education, the University has started a number of Post Graduate level Weekend Programmes in Management, Technology and Mass Communication for working professionals which have become very popular.

Campus

University's State of Art Campus with ultra-modern facilities in an area measuring 60 acres is coming up at West Delhi (Dwarka). With an aim to provide Research and Development facilities of international standards, the University has decided to set-up an Institute of Information Technology in East Delhi (Surajmal Vihar). For this purpose it has acquired 19 acres of land on which the construction is likely to start very soon.

The University is currently functioning from its Campus at Kashmere Gate, Delhi spread over an area of 16 acres. On this campus, the University is running 10 schools and One University Maintained College (IGIT) imparting professional education to more than 3000 graduate and post-graduate level students.

Research & Development

Teaching, research and consultancy must go hand in hand. University encourages the teachers and the students for extensive research work. University is on its way to be known as a centre of quality research, international publication and for the best standard of its pass-outs. With its determined leadership, University is sure that it will be able to make a mark soon on the international education map. The University faculties have been able to attract many research projects sponsored by various national agencies. The students are also the recipients of the prestigious fellowships and are working on the various research projects in the fields of Biotechnology, Genetic Engineering, Environment Management, Information Technology, etc. The focus on research is evident from the publications/presentations of more than 200 research papers annually during past years, though the regular strength of faculty on the campus is about 170 only.

Ph.D. Programmes

The University, since its inception, is also providing facility to the students to pursue research leading to the award of the Degree of Doctor of Philosophy (Ph.D) in all the University Schools of Studies and in all professional disciplines. The distinguishing features of the Research Programmes leading to the award of the Doctoral Degree of the University are:

- (a) The professionals and administrators working in Corporate Sector/Government Institutes are encouraged to undertake research studies;
- (b) No distinction has been made between the Full-Time and Part-Time Research Scholars;
- (c) The Ordinance has been framed in such a manner which provides:
 - (i) Maximum flexibility to the Research Scholars in terms of the minimum and maximum period permissible for the submission of Ph.D Dissertations;
 - (ii) The system of providing guidance to the Research Scholars by the Supervisors, whether in the University or outside;
 - (iii) No compulsory requirement of stay at the University.
- (d) Provision for recognizing the Institutes, which have excelled in specific fields, as an Approved Research Centres.

Notwithstanding these flexible provisions, the quality of the research is rigorously monitored and no Research Scholar is allowed to submit his/her Ph.D thesis unless he/she has to his/her credit minimum of two published research papers in International/National (refereed) journals.

Doctoral and Post Doctoral Research Fellowship

The University has launched a fellowship scheme for promotion of Doctoral / Post Doctoral Research in the specialized areas of Electronics & Communication Engineering, Chemical Engineering, Information Technology, Computer Science & Engineering, Mechanical & Automation Engineering, Bio-technology, Basic & Applied Sciences, Humanities & Social Sciences, Management, Environment & Disaster Management Studies and Law & Legal Studies in its respective School of Studies. The amount of Fellowship for pursuing research for Ph.D will be Rs.12,000/- per month and for Post Doctoral research, it will be Rs.18,000/- per month.

Laboratories

The University has 70 State-of-the-Art well equipped sophisticated laboratories at its Kashmere Gate Campus with indigenous and imported equipments. The aim is to help the students in performing practical work and testing their theoretical knowledge in practice. These laboratories provide dynamic, broad based research environment and strong

foundation to the students and research scholars. Each school has its own dedicated laboratories like the Software Development Cell, Web Development Lab, Computer Centre, Linux Lab, Microprocessor Lab, Multimedia Lab for the **University School of Information Technology**; Chemical Analysis and Monitoring Lab for the **University School of Chemical Technology**; Plant Tissue Culture Lab, Animal Tissue Culture Lab, Molecular Biology Lab, Microbiology and Enzymes Lab for the **University School of Biotechnology** and Air and Noise Pollution Monitoring Lab, Water Quality Analysis Lab, Microbial Technology Lab and a separate section for Remote Sensing and Geographical Information Systems in the **University School of Environment Management**.

The above list is not exhaustive but only illustrative. In addition to this, there are adequate labs in the affiliated colleges/institutes of the University depending upon the requirement of the course.

University Information Resource Centre (Library)

The University Library, re-christened as University Information Resource Centre (UIRC), was established at its Kashmere Gate Campus in September 1999 with the prime responsibility to supplement the educational and knowledge needs of the students, researchers and its faculty members. UIRC has been consistently building up itself from strength to strength to fulfill its objectives by incorporating the latest technology and talent in providing most cost-effective and time-efficient information services to its members. The services offered by UIRC are fully computerized. The resource centre also has Xerox facilities and document delivery services. The centre at present serves about 3,000 members. It is fully air-conditioned with a plan of doubling its reading room capacity in the near future.

In addition to this, there are Libraries in all the affiliated colleges/institutes of the University depending upon the requirement of the course(s).

Hostel Accommodation

The University campus has two in house Hostels, East Hostel for Men and West Hostel for Women. The Hostels are well equipped for comfortable lodging & boarding of approximately 120 students in Men's Hostel and 240 students in Women's Hostel, respectively. Hostel admission will commence soon after the results of the first counselling are declared. Only students admitted to the courses in the University Schools of Studies and Indira Gandhi Institute of Technology are eligible for hostel accommodation. The allotment of the hostel accommodation will strictly depend on the availability of the vacant seats. Complete information will be available in the Hostel Prospectus, which may be procured from the respective hostel offices after the first counselling. Additional details are available on the University website (www.ipu.ac.in).

Apart from this, some of the affiliated colleges/institutes also provide hostel facilities.

Cultural and Co-curricular Activities

In addition to providing exceptionally good educational and research environment, the University also lays emphasis on cultural and co-curricular activities for its students for their overall development. The University provides facility of several Playgrounds at its campus so that these students can play and participate in sports events. It has a basket ball court, a volley ball court, lawn tennis courts, badminton courts and a large ground used for playing games like Football, Cricket, Hockey and Rugby etc. University also organizes sports meet.

The University strongly believes that “work as well as play” is a good approach for any professional organization. To achieve this, the University organizes a number of Techno-Cultural festivals and other events like Anugoonj, InfoXpression, Zenith, Impulse, Synergy, Moot Court Competitions, Sport Meets, etc. Educational Tours are also regularly organized for giving field exposure to the students. A student magazine ‘Adamyā’ is also published regularly.

Scholarships and Awards

The University gives scholarships worth Rs.10,000/- per annum to the students admitted in the University Schools of Studies and Indira Gandhi Institute of Technology in order of merit of the Common Entrance Test (CET) to the first three students admitted in each programme. These scholarships shall be payable after the first semester examinations. These scholarships continue till these students complete their studies provided they continue to secure minimum of 60% marks in both the Semesters taken together in the subsequent years of the concerned programmes. University awards the **medals, certificates and cash prizes** to the meritorious students who stand first and second in the University School of Studies and IGIT in their respective programmes. The University also honours its topper students with a Gold Medal and a Certificate of Merit in the respective programmes.

Scholarships to Students belonging to Economically Weaker Sections of the Society

University also awards scholarships/benefits to the students belonging to economically weaker sections of the society whose parental monthly income from all sources is upto Rs.5,000/- and who get admission on their own merit and continue to secure more than 60% marks in University examinations. Such students have to apply to the Vice-Chancellor through concerned Dean of University School of Studies or the Principal/ Director of the Affiliated College/Institute of the University with the following documents:

- Income certificate from the parent's, employer or from a Gazetted Officer;
- University Enrolment Certificate;
- Attested copy of the mark sheet of semester examinations last appeared;
- Recommendations of the Dean/ Principal/ Director of the concerned University School of Studies/ Affiliated College/Institute.

Examination

The examination system of the University has been computerized. Besides running most of the programmes in Semester System, the University follows credit based evaluation.

The overall weightage of a course in the Syllabi and Scheme of Examination is determined in terms of credits assigned to the course. Obtaining a minimum of 50% marks in aggregate in each course including the semester-end/year-end examination and the teacher's continuous evaluation is essential to earn the assigned credits. A candidate who secures

less than 50% of marks in a course is, therefore, deemed to have failed in that course. A Student is eligible for the award of the University degree, if he/she has registered himself/herself, undergone the regular course of studies, completed the project report/dissertation specified in the curriculum of his/her programme within the stipulated time, and has secured the minimum credits prescribed for the award of the concerned degree.

Attendance and Re-Admission

A student is required to have a minimum attendance of 75% in aggregate of all the courses taken together in a semester/year. However, Dean of the School in case of University Schools and Principal/Director in case of University maintained/affiliated colleges/institutes may condone attendance shortage upto 5% for individual student for reasons beyond control of the student. Under no circumstances, a student who has an aggregate attendance of less than 70% in a semester/year will be allowed to appear in the semester/annual examination.

All the Deans of University Schools of Studies and Directors/Principals of affiliated colleges/institutes are responsible for ensuring that no student who has less than 70% of attendance in a semester/year is allowed to appear in the end semester/annual examinations. In case any student appears by default in end-term examinations, who, in fact, should have been detained by the School/Institute, his/her result shall be treated as null and void.

In respect to re-admissions of detained students, it is clarified that re-admissions can be made by the Deans of the University Schools of Studies and Directors/Principals of affiliated colleges/institutes at their own end. However, the concerned Dean and Director/Principal of the affiliated colleges/institutes must forward the cases of re-admissions to the Academic Branch and Examination Branch of the University at least two weeks prior to the commencement of the Academic Session, i.e. **1st August**. The University Enrolment Number will remain unchanged on re-admission and student will have to pay the full fee as per University rules.

GENERAL ADMINISTRATION

Statutory Bodies & CEO

The President of India is the Visitor of the University and the Lt. Governor of Delhi is its Chancellor. The University in its functioning gets support and guidance from its Statutory Bodies such as the Court, the Board of Management, the Planning Board, the Board of Affiliation, the Academic Council and the Finance Committee. To facilitate the assigned role to these Statutory bodies, the members of these bodies are the persons of eminence from different fields and disciplines. The University functions under **Vice-Chancellor** (Prof. K.K. Aggarwal) on day-to-day basis who is supported by other Officers.

Prof. K.K. Aggarwal, graduated in Electronics and Communication Engineering from Punjab University and obtained Masters degree in Advanced Electronics from Kurukshetra University securing First position in both. Later, he did his Ph.D in Reliability Evaluation and Optimization, also from Kurukshetra University. In 1975, he rose to the level of Professor at an age of 27 years, probably the youngest person in the world to have achieved this level. He has been the Chairman of the Department of Electronics, Communications & Computer Engineering at National Institute of Technology, Kurukshetra for a long time and worked as Dean (Academic) in that institution. He was also Director, "Centre for Excellence for Manpower Development in Reliability Engineering" established by the Ministry of Human Resource Development at that College. Before taking up the present assignment in December 1998, Prof. Aggarwal was Pro Vice-Chancellor, Guru Jambheshwar University (Technical University of Haryana), Hisar for a period of three years. Prof. Aggarwal has extensively worked in various fields of Electronics and Computer Engineering. He has published about 300 papers in the reputed journals - more than 100 of these in international journals. He has authored a number of books in the area of Electronics and Computer Engineering.

As Vice-Chancellor, Prof. K.K. Aggarwal is the Chief Executive Officer of the University. He chairs all the meetings of the Board of Management, Planning Board, Board of Affiliation, Academic Council, Finance Committee and executes the decisions taken by these Statutory Bodies.

Officers of the University & their Profile

The Vice-Chancellor's office is supported by a team of officers like Deans, Registrar, Controller of Finance, Controller of Examinations, Librarian and Directors looking after various activities of the University. The Deans of various University Schools are in-charge of their respective schools functioning from the campus of the University. The Registrar acts as the Premier Officer of the University who looks after academic and administrative matters of the University. The Controller of Finance is primarily incharge of financial well being and control of finances of the University. The Controller of Examinations looks after the various examinations like Common Entrance Tests, Semester Examinations and Annual Examinations for different programmes offered by the University.

Sh. Vinod K. Jain, Registrar

Sh. Vinod K. Jain is a Civil Servant with more than 23 years of administrative experience. He has done Masters of Law (LL.M.) from University of Kurukshetra, LL.B. from Campus Law Centre, University of Delhi and B.Com. (Hons.) from Sri Ram College of Commerce (SRCC), Delhi. He was selected in Uttar Pradesh Judicial Service in 1983 and was also offered Indian Information Service in 1984 but opted to join DANICS. He has held several significant positions in Delhi before joining the University as Registrar in November, 2004. Some of the important posts held by him in Delhi are: Sales Tax Officer, Wild Life Officer, Land Acquisition Collector, Deputy Director (Relief & Rehabilitation), Sub Divisional Magistrate (SDM), Deputy Director (Social Welfare), Deputy Director (Lands)/Director (Sports) in DDA, Joint Director cum Joint Secretary (Training and Technical Education), General Manager (Delhi Tourism), Deputy Commissioner-cum Collector of Excise and Joint Secretary (GAD), Government of NCT of Delhi.

As Registrar, he is the custodian of the University records and Ex-officio Secretary to all the Statutory Bodies of the University.

Mrs. Vandana Gupta, Controller of Finance

Mrs. Vandana Gupta is an Officer of Indian Post & Telegraph Accounts & Finance Service with 16 years of experience. She did her B.Sc., M.Sc. & M.Phil (Botany) from Meerut University & M.B.A.(Finance) from IGNOU, all with first divisions. She has worked in Delhi MTNL, Ahmedabad Telecom Distt., BSNL Corporate office, DOT etc. before joining the University as Controller of Finance. Before joining the Civil Services, she worked as a Lecturer (Botany) in R.G. Post Graduate College, Meerut. In her present capacity she looks after financial matters and budget of the University.

Prof. Yogesh Singh, Controller of Examination

Dr. Yogesh Singh is a Professor at USIT. Currently, he is holding the additional charge of Controller of Examinations and Director, Students Welfare of the University. Besides possessing M.Tech and Ph.D (Computer Engineering) degrees, he has been a researcher of repute in the field of Software Engineering focusing on Planning, Testing, Metrics and Neural Networks. He has more than 185 publications to his credit in International/National Journals and Conferences. Nine scholars have been awarded Ph.D., under his supervision & seven are pursuing in the area of Information Technology. He is a referee for various journals of International and National repute in the area of Information Technology and allied fields. He is the co-author of a book on "Software Engineering". He is member of the Sectorial Committee of AICTE and Fellow of IETE.

Sh. Subhash Deshmukh, Librarian (UIRC)

Sh. Subhash Deshmukh has more than 28 years of experience with National and International Institutes of repute. He holds Masters degree in Chemistry and Masters degree in Library Information Science from INSDOC, New Delhi. He has also done PG diploma in Computer Application in 1984 from Andhra Pradesh Productivity Council, Hyderabad. Before joining this University, he worked with Centre for Development of Telematics (C-DOT) for 13 years as Manager, Library Information Services; National Council of Cement and Building Materials, New Delhi as Head, Library Services; International Crop Research Institute for the Semi Arid Tropics (ICRISAT), Hyderabad and Small Industries Extension and Training Institute, Hyderabad. His areas of interest are automation and computerization of library

information services, software applications, web based library services and library consortium. He is also full bright scholar in Information Science and Technology in the year 2000-2001, from College of Information Studies, University of Maryland, College Park, USA. He was National Coordinator for Ministry of Information Technology (MCIT) Library Consortium. He is leading library information science professional and coordinates all the activities of Ranganathan Research Circle, New Delhi.

He is recipient of 'Young Information Scientist Award' for the year 1989 from Society of Information Science (SIS), New Delhi. He has served as faculty for the various training centers in Automation and computerization of Library & Information Services organized by ILA, NISSAT, DESIDOC and DELNET.

University Website and Intranet

University maintains an elaborate website (www.ipu.ac.in) giving information on various aspects and facets of the University. The website of the University also acts as a communication channel to the public at large and various institutions, parents, students etc. who wish to have any latest information about the University. The results of various programmes and all information relating to admissions is also given on this website. The entire University is linked through LAN having Intranet facility which is very frequently and effectively used by all concerned in administration for sharing of information and decision making.

Rules & Regulations

University administration functions while dealing with various issues of administrative and academic significance, within the provisions of the University Act, rules and regulations (Statutes & Ordinances) framed thereunder. The University has notified 32 Statutes and 30 Ordinances which have not only been published in the Gazette of Delhi but have also been laid on the floor of the Legislative Assembly of Delhi. The University Act and all its Statutes as well as Ordinances have been placed on the University Website. This clearly speaks of the nature of transparency maintained by the University Administration in its functioning keeping the society at large informed not only about the academic programmes but also about all its latest rules, regulations etc.

3

UNIVERSITY SCHOOLS OF STUDIES

1. UNIVERSITY SCHOOL OF BASIC & APPLIED SCIENCES (USBAS)

VISION

USBAS will stimulate both the hearts and minds of scholars, make them capable of contributing to the welfare of society at large; train them to adapt themselves to the changing needs of the economy, and educate them for cultural leadership to ensure peace, harmony and prosperity for all.

MISSION

The mission of the USBAS is to create and disseminate knowledge in intellectual areas at the interface between the Physical Sciences and traditional engineering disciplines using the principles, skills and techniques commonly associated with basic sciences: Physics, Chemistry, Mathematics and Biology.

OBJECTIVES

- To produce trained manpower equipped to contribute for progress at all levels: individual, national and global.
- To cater to the interdisciplinary teaching requirements of the engineering and technology programs offered by the USBAS in particular and by other University Schools of Studies in general.
- To initiate/undertake research programs interfacing basic sciences and engineering disciplines.

PROGRAMMES OFFERED

USBAS offers foundational courses to M. Tech (integrated) programs in the field of Chemical Technology, Information Technology and Biotechnology. In addition, it also offers advanced courses to post graduate students. A unique, contemporary and multidisciplinary program of M.Tech (Engineering Physics) was introduced from the academic session. 2006-07, which will further enhance the skill-based knowledge imparting capabilities of the school.

RESEARCH ACTIVITIES

USBAS undertakes research work in various frontline areas like high energy physics, foundational quantum mechanics, quantum computing, polymer science, renewable energy physics, energy modelling, nano-science, and physics of neural network, chaotic dynamics etc. Presently 27 research scholars are enrolled for Ph.D and working under the guidance of various faculty members of the School. Within a short period of seven years four scholars have been awarded PhD's. Various research projects funded by DST, AICTE, CSIR, Ministry of Environment, etc. amounting to over Rs. 60 lakhs are being run in the School. The faculty of the School is participating in many of the collaborating research programs; some of these are from Delhi University, IIT Delhi, Sri Ram Institute for Industrial Research, Punjab University, Mexico University, etc.

LABORATORIES

To develop hands-on expertise in experimental techniques in the relevant courses and to facilitate research activities, the following laboratories have been established and are functional:

- Chemistry Laboratories - I and II.
- Physics Laboratories - I & II.
- Life Sciences Laboratory (teaching-cum-research).
- Research Laboratory (Chemistry) I&II.
- Mathematics Laboratory

- Research Laboratory (Energy Physics).
- Instrumentation Lab.

An Advance Physics Lab and a Computational Lab are being readied.

USBAS has also set up a Technology Research Centre (TRC) as a higher-end research facility, which provides industrial consultancy services to industrial houses and to researchers in the region. The Centre has already acquired many of the advance sophisticated instruments like:

- Differential Scanning Calorimeter (DSC),
- Fourier Transform Infra Red Spectroscopy (FTIR),
- High Performance Liquid Chromatography (HPCL),
- Thermogravimetric Analyzer (TGA)
- Gas Chromatography (GC).
- UV-Visible Spectrophotometer
- Viscometer
- Dynamic Mechanical Thermal Analyzer (DMTA).

Zetsizer, Small angle X-Ray diffraction, SEM, TEM shall be acquired shortly.

Research Journals of repute are being subscribed by the school and the same have come to be accompanied with text books and the reference books containing contemporary knowledge and research works at the University's Information Resource Center. The School is committed to developing closer association with industry through its collaborations and consultancies as well as by strengthening national Research and Development efforts.

FACULTY

USBAS has highly qualified and experienced faculty who excel in their respective areas. The fifteen faculty members (3 Professors and 12 Lecturers) are drawn from the disciplines of Chemistry, Physics, Mathematics and Life Sciences. Two of them have the distinction of having been awarded AICTE'S Young Scientist Award and another two are the recipients of 'Best Teacher Award, instituted by the University.

Prof. Avinash C. Sharma, Dean, USBAS

Dr. Avinash C. Sharma is a Professor and the Dean of University School of Basic and Applied Sciences. He obtained his Ph.D from Punjab University, Chandigarh in 1983. Prior to joining this University in 1999, he served at the Department of Physics, Kurukshetra University, Kurukshetra. He has more than 25 years of experience in teaching and research. His research interests concerns Theoretical, particle physics and simulation studies. He has over 25 research articles published in national and international journals to his credit with over 400 Citations.

He has visited CERN, Geneva (Switzerland), INFN, Frascati, Rome, (Italy), Nihon University, Tokyo (Japan) and other countries including the US, USA, Russia, China, Germany, etc., in various capacities such as post doctoral fellow, visiting scientist, etc. He has successfully completed various research projects funded different organizations of repute such as UGC, DST, CSIR. He has been awarded Hari Om Ashram Research Endowment Prize.

Prof. (Mrs.) Saroj Aggarwal

Dr. Saroj Aggarwal is a Professor at USBAS. She is also holding the charge of Director, Academic Affairs and Director, Centre for Electronic Media Studies. She did her graduation from Agra University and Post Graduation in Physical Chemistry from Kanpur University. She was awarded Ph.D in 1976 from Kurukshetra University. Before joining this University in 1999, she already had more than twenty years of teaching & research experience. She has published large number of papers in the reputed National/International Journals. She continues to work in the broad areas of Synthesis and Characterization of Polymers/Nanopolymers and is guiding research in this field. She is a member of Indian Chemical Society.

As Director, Academic Affairs, she is responsible for maintaining the academic calendar and continual updation and revision of the course curriculums of all the programmes being run at the University Schools of Studies and affiliated colleges/institutes.

Prof. A. K. Narula

Dr. A.K. Narula is a Professor at USBAS. He has done Ph.D, M.Sc, Post-doctoral Fellow, Laboratory de Chimie Mineralet Moleculaire, France. He is a Member of Royal Chemical Society, London. He has more than 20 years of teaching and research experience. His area of interest is Inorganic Chemistry. He has a large number of research papers published and presented in national and international journals/conferences.

2. UNIVERSITY SCHOOL OF BIOTECHNOLOGY (USBT)

USBT was founded in 1999 with the mission of generating world-class manpower and knowledge-base for biotechnology education, research and development based on national values, social awareness and conscience. The vision of USBT has been to impart learner-oriented education, research, demonstration and dissemination of knowledge to the needs of a sustainable society.

PROGRAMMES OFFERED

USBT began with a five and a half year integrated B. Tech/M. Tech course of 11 semesters and PhD programme. From the academic session 2004-2005 onwards, the M.Tech programme has been delinked from B.Tech programme and the two programmes are being offered under dual degree programme. Admission is strictly through an All India Common Entrance Test. Students with 10+2 in physics, chemistry, biology or biotechnology are eligible. Overwhelming demand of Biotechnology professionals, led to an increase in seats from 30 to 45 in the academic session 2006-07. The applicant's intake ratio has been highly competitive, being 130 to 1 for the academic session 2007-08.

INFRASTRUCTURE

USBT is equipped with advanced equipments costing over Rs. 5 crores and has been ranked first in terms of library and infrastructure, and an overall seventh in India by Cyber Media Research (publishers of biotech magazine Biospectrum). USBT is the youngest among all Top Ten Biotech Schools. 2005 survey, it was ranked third in the country for B.Tech (Biotechnology) education. The USBT has established state of the art laboratories for teaching and research in different areas of biotechnology viz. plant tissue culture, animal tissue culture, genomics, proteomics, microbial technology and bioinformatics. USBT recently, acquired automatic DNA sequencer and FT-NIR facility also.

RESEARCH PROGRAMME

Advanced contemporary research is an important activity of the USBT that has led to 170 research papers in last seven years - of which 90 are in international journals. Presently, there are 17 students pursuing Ph. D under the guidance of

faculty members. Our research areas span various disciplines of biotechnology like plant biotechnology, structural and functional genomics and proteomics, plant based bioactives, biotic and abiotic stress signaling, development and metabolic regulation, animal biotechnology, immunology and molecular biology of human pathogens and disease, microbial biotechnology, biosensors, bioinformatics, etc.

STUDENTS' PROFILE

Our students' profile reflects its national character in terms of various regions, communities and gender. After completing B.Tech/M.Tech course a majority of students opt for PhD in India (IISc, NCBS, CCMB, JNCASR, NCCS, ICGB, IGIB, NII, IITD, IITM, IITK, IITB) or abroad in Universities like Cambridge, Göttingen, Tufts, Penn State, Ohio State, Utah, Iowa State, Chicago, Massachusetts, Texas A & M, Cincinnati, Nebraska, and Max-Planck Institute, Frankfurt. Some successfully combine this course with MBA programme. Students have also been regularly offered jobs by industrial organizations such as Reliance, Panacea Biotech, TCGA, BCIL, Jubilant Organosys, and E-value serve. Students of the USBT have proven their academic acumen by successfully qualifying in many national (UGC/CSIR/- NET, ICMR, GATE, CAT, IIFT, IMI, ICFAI, XIMB) and international (GRE, TOEFL, IELTS, GMAT) competitive examinations, often with top scores and ranks.

FACULTY

USBT boasts of an excellent faculty profile. Faculty Members of the USBT are PhD holders from reputed institutions in India and abroad and represent diverse areas such as Genomics, Bioinformatics, Agricultural Biotechnology, Biomedical Research, Pharmaceutical Biotechnology, Environmental Biotechnology and Industrial Biotechnology, as well as IPR, Biosafety, Bioethics and Management issues, as evidenced by their publications, conference presentations, awards, and extramural research grants. Some of them are Fellows of National Academies/Societies/Professional bodies. Faculty members have availed top research Fellowships like Alexander von Humboldt, JSPS, INSA-DFG, INSA-Royal Society, BOYSCAST, UNESCO Biotechnology Award, etc. to work in world-renowned institutes in Germany, Japan, UK and USA. The faculty consciously orients and updates themselves by attending refresher/orientation courses and participating in national/international conferences/symposia/workshops. Two faculty members have been conferred with the Best Teacher Award of the University for consecutive years. So far the faculty has attracted extramural funding of Rs. 1.55 crore in the form of sponsored research projects from various granting agencies like DRDO, CSIR, DST, AICTE, UGC and MoEF.

Prof. P.C. Sharma, Dean, USBT

Dr. P.C. Sharma did his M.Phil. & PhD in Genetics from Meerut University. He has more than 20 years of teaching and research experience. Prior to joining this University in Nov. 2002, he served in Ch. Charan Singh University, Meerut as Lecturer and subsequently as Reader in the Department of Agricultural Botany, and as Coordinator, Department of Biotechnology. His main teaching and research areas cover genetics, plant molecular biology, agricultural biotechnology and bioinformatics. He has over 70 research publications to his credit. He has availed INSADFG International Exchange Fellowship in 1992 and 1998, UNESCO biotechnology Fellowship in 2000 at plant molecular biology unit of Frankfurt University, Frankfurt, Germany. During these visits, he worked on development of molecular

markers for DNA fingerprinting and genome mapping in chickpea. In 2002, he was awarded long term JSPS invitation Fellowship for Research in Japan, which he availed at Iwate Biotechnology Research Centre, Kitakami, Japan to work in front line areas like Virus Induced Gene Silencing and Serial Analysis of Gene Expression. His group's most recent research on in silico mining of microsatellites has been published in high ranking international journals and led to the development of two highly accessed microsatellite databases. He is a Fellow of the National Academy of Sciences, India.

Prof. K. Kannan, USBT (on deputation as Vice Chancellor of Nagaland University)

Dr. K. Kannan is a Professor in University School of Biotechnology. He did his M.Sc. Chemistry from IIT, Mumbai and Ph.D. (Biochemistry) from Mysore University, a fellow of Imperial College of Science and Technology, London. He has worked at CCMB, Hyderabad, established the first biotechnology programme in Pune and has held senior positions in the diagnostic industry and pharmaceutical industry, Ranbaxy. He is very well known for initiating stem cell research in India nearly two decades ago. He has a keen interest in Protein Chemistry, Enzymology, Natural Products, Stem cell Biology, Diagnostics, Molecular Medicine, Hematology, DNA Probes, FISH, Dairy Science and Technology. He has also

undertaken various research activities related to Biotechnology and has several publications to his credit. He is also the national convener for biotechnology for CBSE schools and also for Jammu & Kashmir.

Prof. Rajinder K. Gupta, USBT

Dr Rajinder K. Gupta completed his higher education including first PhD degree from Delhi University in Organic Chemistry of Natural Products. He earned his second PhD in Microbiology /Biotechnology from University of Idaho, USA. He was awarded Alexander von Humboldt Fellowship to work at the Technical University, Berlin, Germany, where he worked on Phytochemicals and Natural Products. He worked on bioactive agents from marine organisms at the University of Oklahoma, USA, and on actinomycetes physiology and on their biocatalytic /biotransformation ability of various substrates of natural origin at University of Idaho, USA. He has over 85 research publications to his credit and has more than three decades of experience in academia, and industry (pharmaceutical, agrochemical, polymer and commercial test house). He is a member of several national & international professional /academic bodies. He has provided consultancy to Delhi Government to set up an ultramodern food quality testing facility in Delhi. His current areas of research include identification of bioactive agent from actinomycetes & plants, biotransformations, and production of nanomaterials using microorganisms (nanobiotechnology).

3. UNIVERSITY SCHOOL OF CHEMICAL TECHNOLOGY (USCT)

VISION

Produce talented professionals to meet the need for trained manpower not only for chemical industry but also for other upcoming industries and for research in the cutting edge technologies.

MISSION

USCT endeavors to design and implement curriculum with the aim of imparting quality education. The school also emphasizes on the need to keep up with the latest Developments in the field, by constantly upgrading the syllabus. Interaction with industry on perpetual basis is must to keep students aware of the latest happenings in the chemical industry.

PROGRAMMES OFFERED

B.Tech/ M.Tech (dual degree) in chemical engineering - (4+2) years

M.Tech in chemical engineering - 2 years

Ph. D. in chemical engineering (both regular and part time)

The curriculum structure provides first hand experience to the students in a variety of areas. The system is flexible so that a student also has adequate opportunity to learn about other fields such as Biotechnology, Information Technology and Environment Management. The curriculum equips one to enter diverse and interdisciplinary fields in future.

LABORATORIES

The chemical engineering laboratories of the USCT like Instrumentation and Process control, CAD and Simulation, Heat Transfer, Mass Transfer, Fluid Mechanics, Reaction Engineering and Mechanical Operations are well-equipped

with imported / indigenous equipments/ instruments. The USCT has state-of-the-art laboratories set up at a cost of roughly Rs.1.5 crores. It has both traditional laboratories of heat and mass transfer, reaction engineering etc, as well as advanced control ASPEN tech and MATLAB computer laboratories.

LIBRARY

The University Information Resource Centre has around 20,000 books and 270 periodicals, 10 per cent of which belongs to USCT. The library provides the facilities of book bank and e-books as well.

ACADEMIA-INDUSTRY INTERACTION

The School organizes regular visits to industrial sites, refineries etc. Under its 'Distinguished Guest Lecture Series' eminent professionals from the industry are invited on regular basis to interact with the faculty and students. Recently, senior executives from Indian Oil Corporation Limited [IOCL (R & D center)], Stone and Webster Inc., Engineers India Limited (EIL), Institution of Engineers (India), to name a few, have visited the School and delivered lectures in their respective areas of expertise. Summer Training is also organized with leading organizations like EIL, Oil & Natural Gas Commission (ONGC), IOCL, National Fertilizers Limited (NFL), IFFCO and so on.

TRAINING & PLACEMENT CELL

The Training & Placement Cell at USCT, constantly endeavors to forge a strong network with the industry to ensure quality placements of its students. Some of the reputed companies, where USCT students have found placements, include Reliance Industries Limited, NFL, Nuclear Power Corporation Limited, BALCO, Hindustan Lever Limited, IOCL, ONGC, EIL, Bhaba Atomic Research Centre, NTPC, Bharat Petroleum Corporation Limited, Glaxo Smithline, Defence Research & Development Organisation, Dabur Research Foundation, Hindustan Copper Limited, Prakash Chemicals Limited, CICO Chemicals Limited, KLGESS, Jubilant Organosys and Nerolac. The cell also provides opportunity to students for two months training in summer vacation and educational trips in various chemical industries.

CO-CURRICULAR ACTIVITIES

The students of USCT regularly participates in inter and intra institute competitions and have brought accolades to the School. The students' body 'REACT', organizes an annual technical fest 'Sanshlation', which provides them an opportunity to interact with the students of other institutions, besides other activities.

FACULTY

The highly qualified and experienced faculty members of USCT are drawn from varied sources including process industry, research organizations, academic institutions. The faculty includes the Dean, a professor (re-employed for one year), three Readers and eight Lecturers.

Prof. S.S.Sambi, Dean, USCT

Dr. S.S.Sambi is Ph.D in chemical engineering from Indian Institute of Technology, Delhi. He obtained M.Tech and B.Tech in chemical engineering from the same institution. Post doctoral experience of over twenty five year in teaching/research has resulted in fourteen publications in national/international journals besides several presentations / publications in conferences / workshops. His field of specialization is Heat and Mass transfer. He has done significant work in the field of biomass combustion, pyrolysis and gasification. He has guided a number of B.Tech, M.Tech and Ph.d. Students. He is on the expert committee of Department of Polymer Science, Delhi College of Engineering, Delhi. He is on Board of Studies, Chemical technology / Biotechnology / Oil/paint/Plastic/ Food/Leather for Uttar Pradesh Technical University, Lucknow.

Prof. D.V. Gupta, USCT

Dr. D.V. Gupta is holding the additional charge of Director of Office of International Affairs which has been set up with a motive of internationalizing the University. He holds Ph.D (Engg.), US; M.S. (Engg.), US; M.A.Sc. (Engg.), Canada; B.Tech (Hons) IIT and B.Sc (Hons) from Delhi University. He is an internationally renowned engineering scientist/academician/administrator, who has a large number of published works to his credit. He has lived and worked in the US for three decades and has travelled extensively in North America, Europe and Asia. He is a fellow member of many international professional organizations and included in the 'Marquis Who's Who in the World'. Prior to joining this University, he was the Chairman of Indo-American Technologies (INC). He is a recipient of many awards and recognitions as well. He was appointed on the National Board of Accreditation (Sectional

Committee), AICTE. He is also recognized expert for the Ministry of Non-Conventional Energy Sources. Recently, he has been appointed as the country head for India for Centre for Chemical Process Safety and Safety & Chemical Engineering Education, which are subsidiary organizations of American Institute of Chemical Engineers, New York, USA.

4. UNIVERSITY SCHOOL OF ENVIRONMENT MANAGEMENT (USEM)

VISION

Actively pursue the goals of imparting quality education, training and facilitate research in the field of environmental studies and act as a think tank in policy matters related to environment management.

MISSION

To build a pool of trained and dedicated professionals who can contribute to the development of policies, measures and programmes for disaster management.

OBJECTIVE

- To provide institutionalised quality education and training in environmental studies.
- To pursue and facilitate research and development activities.
- To establish working linkages with industry and undertake collaborative projects which offer long-term opportunities of interaction between academia and industry.
- To conduct short-term courses related to various environmental issues.
- To foster environmental awareness and promote the principles and practices of sustainable development.

PROGRAMMES OFFERED

USEM offers a two-year Master's degree course in Environment Management [M.Sc (EM)], which aims to equip the budding environmental managers with a comprehensive understanding of the key environmental issues and use of a wide range of environmental tools, methods and systems so that they can play a leading role in the development and application of environmental policies and management in the public and private sectors. The present intake for the course is of 20 students, from science/engineering background that are selected through a national level Common Entrance test. The four-semester course offered by the School consists of an optimal amalgamation of theory and practice. First three semesters are devoted to coursework and the final semester is dedicated to dissertation that each student is required to accomplish individually. Students of USEM are also provided an opportunity to undergo practical training during their summer vacations in various institutions.

RESEARCH ACTIVITIES

The USEM is actively involved in the following research areas

- Environmental Biotechnology
- Remote sensing and GIS
- Water and wastewater treatment
- Energy and Environment interactions
- Environmental modelling
- Air pollution

INFRASTRUCTURAL FACILITIES

The laboratories of USEM have been duly accredited by the Delhi Pollution Control Board, and actively carry out sampling and monitoring exercises of various environmental systems. USEM boasts of having an advanced instrumentation system lab, water quality analysis laboratory, remote sensing / GIS laboratory, environment microbial technology laboratory, air and noise pollution monitoring laboratory.

LABORATORIES

Advanced Instrumentation System Laboratory

The latest and sophisticated instruments are namely:

- Multiple Gas Monitor
- Sound Level Meter
- Ion Selective Electrode
- Automatic Titrator
- Flame Photometer
- High Performance Liquid Chromatograph (HPLC)
- Gas Liquid chromatograph (GLC)
- UV-Visible Spectrophotometer
- Atomic Absorption Spectrophotometer (AAS)
- CHNSO Analyzer
- Microbial Identification System
- Mass Detective System

Water Quality Analysis Laboratory

Physico-chemical parameters of water are analyzed in this laboratory. Detailed coverage is made for learning treatment techniques for public water supply and end of pipe treatment for domestic and industrial effluents. Techniques for management of water resources are discussed with respect to the bottlenecks of command area development programme. Detailed designing aspects of water filtration, disinfection, softening, removal of colour, heavy metals, biological and physico-chemical treatment techniques etc. are performed in the laboratory.

Remote Sensing / GIS Laboratory

Remote sensing / GIS lab provides acquaintance with latest software's like ArcGIS, ERDAS Imagine Professional and GeoMedia. The concepts and applications of Remote Sensing/Geological Information System (GIS) are covered to monitor the environment and carry out studies on weather analysis and forecasting, soil and land use, resource management, natural hazards and coastal zone mapping, identification of hot spots etc.

Environment Microbial Technology Laboratory

Environmental Microbial Technology Lab with facilities like cold room, Culture Room, Sterile Room, Laminar Air Flow, BOD Incubator is also helping students in gaining Knowledge of microbial world and their probable use in pollution control. Studies are encouraged to explore the microbial world and their application in pollution control.

Air And Noise Pollution Monitoring Laboratory

Air and Noise Pollution monitoring laboratory has latest and sophisticated instruments like High Volume sampler, Multiple Gas Monitor, Sound Level Meter etc. Experiments in this lab are performed on sampling, analysis, measurement and monitoring of air and noise pollution.

FACULTY

USEM is supported by a good number of faculty members with excellent academic record.

Prof. Amarjeet Kaur, Dean, USEM

Dr.(Mrs.) Amarjeet Kaur is also holding the charge of Director, Centre for Disaster Management Studies. She did M.Sc from Kurukshetra University and Ph.D from Haryana Agriculture University, Hisar. She has about 20 years of experience in research and training. Her areas of specialization are applications of Remote Sensing Technology in Environmental Management, Disaster Management and Environmental Biotechnology. She has worked as Principal/Co-Principal Investigator of various international/national projects related to Environment Management. She has visited USA, UK and Japan in connection with study exchange programmes and conferences. She is also involved in Environmental Management Plan of Delhi using Remote Sensing Technology and GIS.

5. UNIVERSITY SCHOOL OF HUMANITIES AND SOCIAL SCIENCES (USHSS)

OVERVIEW OF THE SCHOOL

An inter-disciplinary school with a difference, USHSS enjoys a unique status within the overall academic scheme of the University. Having a distinct entity as University School of Study, it straddles across other University schools . Through its academic inputs it empowers the learners-scholars-professionals to systematically understand and reflect on social, political, cultural, economic structures and processes and hence endeavors to expand their professional vision. The school is committed to provide an interdisciplinary and integrative pedagogical interface to learners so as to nurture them into complete and competent human beings.

VISION

To foster integrative inquiry, research and creative professional activities, by uniting faculty and students in acquiring and applying knowledge in clinical, community and professional settings.

MISSION

USHSS offers intellectually stimulating courses/programmes that reflect the inter-related nature of the individual disciplines as well as the world around us. To this effect, it offers a plethora of courses to professional students that enhance their understanding of the society and culture in which they live, and enable them to obtain skills that can lead to successful and enriching careers. They are exposed to humanities and social sciences' contexts with a view to equip them with holistic values implicit in technological and professional options; to appreciate their social surroundings; and to communicate effectively.

PROGRAMMES

USHSS offers Post Graduate programme in M.A. English and Communication Studies. It is two years modular programmes with the provision to exit after one year with PG Diploma in Communication Studies. It also offers need-based courses in communication-skills and social sciences at graduate and post-graduate levels to various University School(s). It also offers doctoral programme in English language, literature and communication skills.

FACULTY

USHSS has a dedicated and research-oriented faculty. With an interdisciplinary sensibility, individual integrity and a sense of social responsibility, the faculty provides collaborative, creative and equitable means to boost learners' application-oriented competence. The emphasis is on empowering the learners to apply socio-psycho-humanistic perspective to the challenges faced by them in society or industry. The onus is on relational yet holistic perspective to the challenges faced by technical professionals possessing critical understanding.

M.A. IN ENGLISH AND COMMUNICATION STUDIES

The Post Graduate Programme in English and Communication Studies provides a unique facility in/under university education. The aim is to create a culture of student excellence in language/communication skill competence and literary sensibility geared towards an all around development of personality through the cultivation and application of various facets of English and Communication Studies.

The curriculum is designed to assist students from all streams in developing and refining their individual and professional skills (with special reference to/focus on professional/English communication) commensurate with emerging professional needs. This skill based post graduate degree programme will be of direct benefit to the students in extending their vocational opportunities provided by their Bachelor degree.

The Programme would also provide students with optimal access to the globally expanding world of language based communication technologies and specialized research.

Scope of the Programme

The programme is deliberately interdisciplinary in nature and offers a distinctive blend of academic study and industry-relevant practices delivered by trained teachers and experienced industry professionals. This would enable the students to determine pathways to a wide range of communication and language skill-related careers and opportunities and/or prepare a foundation for advanced research.

This course represents the latest thinking and research in the international field of scholarship. Apart from studying core subjects, students would also study optional subjects from a wide range of subjects according to their own interests and career trajectories.

Programme Objectives

MA in English and Communication Studies has been designed with an aim to:

- Enable the students to develop a comprehensive overview of the language and communication skills in today's society, economy and culture, with an emphasis on India.
- Provide them with the fundamental written communication skills required by successful journalists and other media professionals.
- Help them to achieve an understanding of new communication technologies and their impact on the fast-changing global scenario.
- Train them to think across boundaries of nationality and technology, a skill we see as increasingly important for the next generation of communication professionals and language researchers.
- Help them to appreciate the value of an international and interdisciplinary approach to the study of language, literature and Communication.
- Offer them with an opportunity to develop research skills and engage in applied analysis of different aspects of language, literature and communication skills.

FACULTY

Prof. Anup Singh Beniwal, USHSS

Dr Anup Beniwal is Dean, University School of Humanities and Social Sciences. He is M.A., M.Phil, Ph.D (English) and has been teaching English and Communication Skills to both Undergraduate and Post graduate students for the last 18 years. Prior to joining USHSS, GGS IPU he was with the Department of English, M.D. University, Rohtak.. His areas of academic and research interest include Indian English Fiction on Partition, Indian Writing in English Translation, Translation and Communication Skills. Himself an avid student of literature, he has also been supervising M.Phil and Ph.D.research projects. Apart from authoring a book entitled Representing Partition: History, Violence and Narration, he has also regularly contributed research papers, review articles and translations in prestigious national/refreed journals, newspapers and magazines. He has also translated Ramnika Gupta's activist Hindi prose/essays into English. At present he is busy translating an anthology of Hindi short stories.

He also holds an additional charge of Dean, University School of Education.

6. UNIVERSITY SCHOOL OF INFORMATION TECHNOLOGY (USIT)

PROFILE

USIT strives to foster an environment that provides intellectual freedom and state-of-art facilities and resources to conduct high caliber research in the area of Information Technology. It provides an enabling academic environment

which is essential to deliver world class graduate and postgraduate programmes. Various IT programmes at UG & PG level are offered at USIT that prepare students to compete globally.

PROGRAMMES OFFERED

- B. Tech/M.Tech (Dual Degree) (Information Technology) - 4 + 2 years
- B.Tech/M. Tech (Dual Degree) (Computer Science & Engineering) - 4 + 2 years
- M.Tech (Information Technology) - 2 years
- M. Tech (Computer Science & Engineering) - 2 years
- MCA (Software Engineering) - 3 years
- M. Tech (Digital & Wireless Communication) - 2 years * (Proposed)
- M. Tech (IT) - Weekend Programme - 3 years
- Ph.D. Programme in Information Technology and Computer Applications

RESEARCH

USIT is actively involved in the research work. It has produced 12 Ph.Ds in the last 8 years of its existence. Thirty-two research scholars are currently pursuing Ph.D in the areas of Software Engineering, Mobile Communication Systems, Signal and Image Processing, Computer Networks, VLSI Design, Data Warehousing & Data Mining, Neural Networks etc. The School has published and presented around 200 papers in last eight years in various national / international journals and conferences.

INFRASTRUCTURAL FACILITIES

USIT has state-of-the-art labs, with more than 400 machines on windows. 2000/Linux Platform. Each lab is fully equipped with the requisite software and fulfills the needs of the students. The School also has specialized labs such as Networking Lab, Microprocessor Lab, Multimedia Lab, Web Development Lab, Software Engineering Lab, Digital Electronics Lab, VLSI and Advanced Communication Lab. The school supports campus wide network with a fiber optic back bone and currently has 4 Mbps leased line connectivity for internet access.

ACADEMIA INDUSTRY INTERACTION

USIT has signed a MoU with CISCO System, Inc. and has been granted the status of CISCO Regional Networking Academy for Delhi state

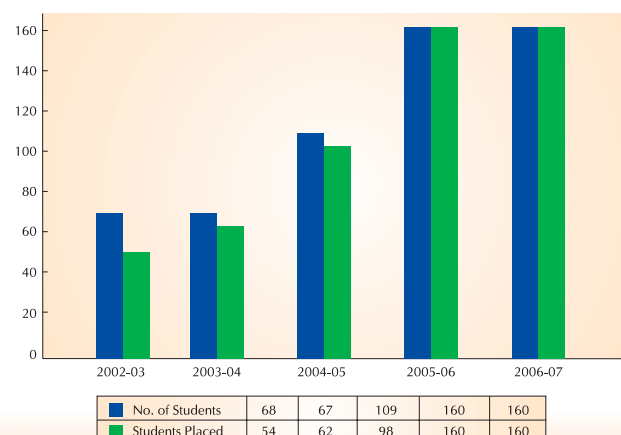

USIT also enjoys a long term MoU with IBM India Ltd. for faculty training in IBM software like DB2, Visual Age for JAVA, Web sphere application server etc.

USIT also has a MoU with INTEL for INTEL Network Processors and EMC corporation for storage technologies.

PLACEMENTS

(A) Placements in USIT

YEAR	Percentage of students placed
2002-03	79.4
2003-04	92.5
2004-05	69.7
2005-06	100
2006-07	100

(B) Placement Statistics

Every year prestigious IT companies like TCS, Infosys, Hughes, Quark, MBT, DCM Technology, Newgen Hexaware, Induslogic, Sapient etc. have been recruiting the students of USIT in their final year itself. Many of the students have received more than two or three offers. A significant number of students have instead opted for further education such as MBA/MS in international and national institutions viz. Stanford University, University of California, Purdue University, and Indian Institutes of Technology, among others.

CO-CURRICULAR ACTIVITIES

InfoXpression is the annual festival of USIT. It is a three-day extravangaza that is a brilliant fusion of technical erudition and cultural events that brings together participants from all over the country. In the last seven years since its origin, 'InfoXpression' has established a considerable reputation for itself as an event to look forward to each year. It is organized by the Students Association of Information Technology (SAInT), the student body of the School.

FELLOWSHIP

The department of receiving fellowship from AICTE for GATE qualified M. Tech students for Information Technology and Computer Science Engineering branches.

FACULTY

Prof. Nupur Prakash, Dean, USIT

Dr. (Mrs.) Nupur Prakash joined USIT as Dean in August, 2006. Prior to this she was principal of Indira Gandhi Institute of Technology from 2002-2006. She did her B.E. (Electronics & Communication Engineering) and M. E. (Computer Science & Technology) from University of Roorkee (now IIT, Roorkee) in 1981 and 1986 respectively. She has worked as a scientist in CSIO, Chandigarh (1983-85) on microprocessor based projects. She did her Ph.D. (Computer Engineering & Technology) from Punjab University, Chandigarh in 1998 in the area of Neural Networks and Natural Language Processing. Before joining this University, she has served the Department of Computer Science & Engineering at Punjab Engineering

College, Chandigarh as Head and Assistant Professor (1991-2000). Her major areas of interest are Mobile Communication, Network Security, Wireless Communication and Natural language Processing. She has published/presented 50 research papers in various national and international journals / conferences. She is a referee to various National / International journals and magazine. She is a life member of CSI and associate member of IEEE, USA. She is a member of board of studies in Information Technology at University of Mauritius. She has visited several countries and presented papers in several international conferences and has been an invited as speaker to several seminars, workshops and summits within India and abroad.

Prof. Yogesh Singh

Prof. Yogesh Singh is a Professor at USIT. Currently, he is holding the additional charge of Controller of Examinations and Director, Students Welfare of the University. Besides possessing M. Tech and Ph.D. (Computer Engineering) degrees, he has been a researcher of repute in the field of Software Engineering focusing on Planning, Testing, Metrics and Neural Networks. He has more than 185 publications to his credit in International / National Journals and Conferences. Eight scholars have been awarded Ph.D., under his supervision & seven are pursuing in the area of Information Technology. He is a referee for various journals of International and National repute in the area of Information Technology and allied fields. He is the co-author of a book on "Software Engineering". He is member of the Sectorial Committee of AICTE and Fellow of IETE.

Prof. B.V.R. Reddy

Dr. B. V. Ramanareddy is a Professor at USIT. He is also the Chairman, Library Committee. He obtained his M. E. and Ph.D. (ECE) degrees during 1991 and 1998 respectively. He served in various capacities and has about 20 years of experience in teaching and research. Before joining this University he served as Assistant Professor at NIT, Hamirpur. He has about 20 publications in journals and international conferences to his credit. He is a Fellow of IETE and a member of other professional bodies such as IE, IEEE, ISTE and SEMCEI. He has guided few scholars leading to M. Tech and Ph.D's. He has currently 6 students registered for Ph.D. His current research interests include Wireless communications which include mobile, Adhoc and sensor based networks, computer communication networks, Semiconductor and VLSI circuits and microwave & optical communications.

Prof. Navin Rajpal

Dr. Navin Rajpal is a Professor at USIT. He did his M. Tech and Ph.D. from IIT, Delhi. He served in various capacities and has more than 20 years of experience in teaching and research. He has worked as Senior Scientific Officer for more than eight years at IIT, Delhi. Before joining this university in 2000, he worked for 4 years as Assistant Professor at CRSCI, Murthal. He has published / presented more than 50 research papers in national and international journals / conferences. His areas of interest are Computer Vision, Image Processing, Pattern Recognition, Artificial Neural Networks, Computer Graphics, Algorithms Design and Digital Hardware Design.

7. UNIVERSITY SCHOOL OF LAW & LEGAL STUDIES (USLLS)

USLLS is the on-campus law school of the University to run B.A., LL.B. (H) five year integrated course, with all professionalism and value consideration, attracting students from all over the country and overseas. The course structure followed by the School is most modern. The students at the school regularly participate in Lok Adalat/Seminars/Conference/Moot Court Competitions/Mock Trials/Quiz Competitions and other programmes and have emerged as leaders.

SOME PRESTIGIOUS COMPETITION WON BY USLLS STUDENTS

1. Students of USLLS secured Third Best Team Award in the Surana and Surana International Minority Rights Moot Court Competition organized by AKK National Law Academy, Pune held from 7th - 9th September 2007. Participants were: Ms Jayasree Narasimhan, Ms. Yamini Mahajan, Mr. Arpan Behl
2. Ms. Shuchi Swami student of LL.B.(H) 3rd Semester won the First Prize in the Debate Competition at Info Expression 2007 organized by USIT on 27th September 2007.
3. Best Researcher titled awarded in the 3rd K. K. Luthra National Moot Court Competition organized by Campus Law Centre, Faculty of Law, University of Delhi.
4. Runners up in the '2nd Rajiv Pandey Memorial Moot Court Competitions organized by Campus Law Centre,

Faculty of Law, University of Delhi on 3rd November 2007. Best Memorial Award was also awarded to USLLS. Participants: Madhur Bajaj, Hemakshi Jad, Anu Solanki and Reba Rajan

5. Winners in 5th All India Human Rights Moot Court Competition organized by School of India Legal Thought, Mahatma Gandhi University, Kottayam held from 25th to 27th February 2005.
6. Winners 2nd All India Moot Court Competition organised by SDM Law College, Mangalore held from 8th and 9th October 2005.
7. Winners n 5th All Delhi V. K. Jain Memorial Competition held on 10th September 2005.
8. Winners 2nd Gurcharan Singh Tulsi Court Competition organized by Criminal Justice Society of India in association with USLLS held on 5th November 2005.
9. Winners in Madhav Rao Scindia National Moot Court Competition on Intellectual Property Rights held from 9th to 11th September 2005 and Runners up in Madhav Rao Scindia International Moot Court Competition held at Faculty of Law, University of Delhi.
10. Runners up of the 1st Rajiv Pandey Memorial All Delhi Moot Court Competition organized by Campus Law Centre, Faculty of Law, University of Delhi on 28th November 2006.
11. Runners up of the Inter Institute Debate Competition organized by Institute of Information Technology and Management on 14th October 2006.
12. One of the finalists (28th Rank) in 13th Annual Willem C. Vis International Commercial Arbitration Moot Court Competition held in Vienna, Austria from 6th April - 13th April 2006. The moot is a special event that brings together students, lawyers and law professors from all continents who are interested in International Commercial Law and Arbitration.

Besides various other prizes, the students won the Best Mooter Prize in the 3rd All Delhi Moot Court Competition organized at Law Centre-I, University of Delhi on 12th February 2005 and the Best Lady Advocate Title at the K. K. Luthra Memorial Annual All India Moot Court Competition organized by Campus Law Centre, University of Delhi from 21st to 23rd January 2005.

PROGRAMMES

- B.A., LL.B.(Hons)
- BBA., LL.B.(Hons)
- LL.M.
- Ph.D.
- Post Doctoral Research

Besides Constitutional Law, Criminal Law, Law of Contract and other traditional disciplines, the thrust areas of our curriculum are Intellectual Property Rights (IPRs), WTO Studies, International Trade Law, Public and Private International Law, Human Rights Law, Humanitarian and Refugee Laws, Environmental Law, Alternative Dispute Resolution, Corporate Law, Technology Law etc. We also keep ourselves aware of latest developments in traditional subjects like family law, property law and law of crimes.

INFRASTRUCTURAL FACILITIES

- Separate Law Library
- Computer Lab with access to on-line data bases
- Well equipped Moot Court Room
- Conference Hall

SPECIAL CENTRE

- Legal Aid Centre
- Children and Family Counselling Centre

Coming up Centres

- Corporate Law Centre
- Intellectually Property Rights Centre

PLACEMENT CELL

USLLS has a proactive professional outlook with a Placement Cell looked after by a team of experienced teachers and dedicates students. The Cell is entrusted with the task of organizing seminars and workshops on training and placement, provide tips on professional CV, communication skills, personality development, mock interviews etc. The Placement Cell plays a pivotal role in organizing court/commission visits, summer training and placement activities.

In our endeavour we have been getting support from eminent legal luminaries such as, Hon'ble Mr. Justice R. C. Lahoti, former Chief Justice of India, Hon'ble Mr. Justice A. S. Anand, former Chief Justice of India and Chairman, National Human Rights Commission, Hon'ble Mr. Justice Madan B. Lokur, Hon'ble Mr. Justice A. K. Sikri, Dr. T. K. Vishwanathan, Secretary, Legislative Department, Ministry of Law and Justice, Mr. K. K. Venugopal, Mr. Soli J. Sorabjee, Mr. Ram Jethmalani, Mr. Shri Raj Birbal, Shri M. N. Krishnamani, Shri P.H. Parekh and Shri A. S. Chandiok to mention some.

FACULTY

USLLS has a dedicated faculty of 18 regular teachers with outstanding academic achievements. Eminent professors of law, lawyers and judges are on its visiting faculty.

Prof. Suman Gupta, Dean, USLLS

Dr. Suman Gupta is a Professor and the Dean, University School of Law and Legal Studies. She did her LL.B., LL.M. and Ph.D. from the University of Delhi. She has teaching and research experience of more than 27 years in University of Delhi. Her specialization is in Corporate Law and Intellectual Property Law. She has supervised more than 20 LL.M. dissertations and 06 Ph.D.'s. 9. CENTRE FOR MEDIA STUDIES

Media industry is expanding at a fast pace all over the world. The rapid growth of media in India is evidence to the fact. For meeting ever increasing and diverse demands of the industry, we need educated, trained, skilled and competent professionals. The phase of conventional journalism is over; today the industry is looking for multi-tasker. The demand for professionals with expertise in chosen area is also increasing.

It was at the behest of Prof. Saroj Aggarwal, Director-Academic Affairs, that the university took the initiative of setting up Centre for Media Studies (CMS). The objective of CMS is to help advance research and education in media studies and critical thinking towards development. This centre has opened new doors for students who want to pursue master's degree with specialisation in their preferred discipline. By launching a post-graduate diploma, it has also provided an excellent opportunity to professionals who wish to add on their knowledge and skills. And for skill improvement of entrepreneurs two certificate programmes have been set in motion.

MASTER OF MASS MEDIA

GGs IP University has clarity in its vision of mass communication education - generalisation and exposure to all branches of mass communication at the undergraduate level and specialisation with focus on any particular branch or discipline at the postgraduate level. That is how Master of Mass Media (MMM) programme has been conceived and designed.

Launched in 2007 MMM prescribes common papers in the first year for the purpose of grounding and special papers in the second year with focus on the targeted area. Specialisation is offered in six major areas - journalism and mass media, corporate communication, radio programme production and TV programme production, film and video production, cyber and new media. The emphasis on theory and practical in terms of teaching and training hours is almost equal.

PG DIPLOMA IN ELECTRONIC MEDIA

Post Graduate Diploma in Electronic Media (PGDEM) was launched in 2006 under the stewardship of Prof. Saroj Aggarwal, Director-CMS. It is a weekend programme targeted to practitioners who wish to update and enrich themselves by sparing some time from their heavy routine. In the first two batches many media professionals have enrolled themselves as students.

The syllabus of PGDEM has been carefully designed to suit the requirement of the industry. The whole programme has been divided into three trimesters, each trimester devoted to one major area - Radio, TV and Film. The ratio of theory and practical is 1:2 on the basis of teaching/training hours and it is 1:1 in view of the credits earned in a trimester.

CERTIFICATE PROGRAMMES

In media studies there is a dire need of short-term programmes for the benefit of those who wish to learn or polish their skills. Understanding this need two certificate programmes - one in video production and another in film appreciation have been started at CMS. Each programme is of three-month duration. Launched in 2008 the Certificate in Video Production is targeted to both students and professionals and Certificate in Film Appreciation is open to film enthusiasts. In terms of practical input both the certificate programmes are loaded and address the needs of receivers up to their expectation and satisfaction.

COLLABORATION WITH FOREIGN UNIVERSITIES

The stage is set for collaboration with three Chinese universities in the field of journalism, mass communication and mass media. While Communication University of China, Beijing and Fudan University, Shanghai have agreed in principle for collaboration, Shanghai Jiao Tong University has signed the Letter of Intent with GGS IP university.

The specific areas of intent for cooperation and collaboration between GGS IP University and Chinese universities include student exchanges, faculty exchanges and research projects. The collaboration extends to areas of mass communication, media literacy and studies, broadcast and TV media and integrated design and media inter-disciplinary studies.

The breakthrough was made during the China visit of Prof. Ambrish Saxena, Consultant, Centre for Media Studies, along with 18 other educators and trainers from all over the country in November 2007.

MAKING OF PROFESSIONAL GRADE FEATURE FILM

Students of PGDEM enrolled at CMS along with BJ(MC) students of VIPs have succeeded in making a 105-minute feature film HANTAA on digital mode. About 60 undergraduate and postgraduate students with an average age of 19 years joined hands to make this film. Scripting, camera handling and editing, everything has been done by students. Set in the backdrop of the farmers' plight in Maharashtra, Andhra Pradesh, Punjab and elsewhere, the film reflects the mindset of students studying in GGSIP University and their concern for society.

The premiere and formal release of HANTAA took place in the auditorium of the university in November 2007.

Hon'ble Vice Chancellor Prof. K.K. Aggarwal remained present to bless the students on the occasion of the premiere. The film was watched and appreciated by about 700 film lovers from the university, affiliated colleges and outside. HANTAA has also been screened at Trichur International Film Festival.

INFRASTRUCTURE AND FACILITIES

Centre for Media Studies has its own independent premises in the university campus. It can boast of having a splendid studio with state-of-the-art facilities. The studio developed in an area of 1300 sq feet is attached to Production Control Room (PCR) measuring 300 sq feet. The Non Linear Editing Lab (NLE) spread in an area of 200 sq feet is equipped with latest editing software. The studio is operational with multi-cam set up and online editing facility. Other labs include Traditional Media Lab, Print Media Lab and Cyber Media Lab. A separate audio studio is also coming up.

ACTIVITIES AND ACHIEVEMENTS

At CMS academic, co-curricular and extra curricular activities have been blended to the benefit of students. Students of MMM bring out a wall newspaper Campus Buzz which is pasted at important locations of the campus every morning. The newspaper covers all the happenings of the university and highlights the achievements of students. The first copy of the newspaper was released on August 14, 2007 by the Registrar Mr. Vinod K. Jain. The 50th issue was released on Nov. 16, 2007 by Director-Corporate Affairs, Prof. O.P. Goyal.

MMM students also take out a fortnightly newspaper Media Post. This computer generated periodical covers major events of various departments of the university and the keeps the students update. The importance of Media Post lies in the fact that the students do everything from news compilation and editing to laying-out and printing of the newspaper.

The students prepared five street plays and five puppet plays in 2007. The puppetry shows were held in the studio while the street plays were performed near the playground outside the auditorium. The success of the performances lies in the selection of themes and their contemporary value.

Year 2007 also witnessed two film festivals. The documentaries and short fiction films made by PGDEM students were screened in the festival Above The Line in August, while the feature film Hantaa was screened in November. An interaction was organized with the women journalists working in the rural areas of Baanda and Chitrakoot in UP and taking out a fortnightly newspaper Khabar Lehriya. A short film on this grass root movement was also screened as part of interaction held at CMS.

10. INDIRA GANDHI INSTITUTE OF TECHNOLOGY (IGIT)

IGIT, the constituent college of the University, was established by the Department of Training and Technical Education, Government of NCT of Delhi, in the year 1998 as the first women's Engineering College in India. The institute was specifically established to impart engineering education to girls of the country, keeping in view the global technological developments and to meet the requirements of the Indian Industry in the 21st century. Out of a number of institutes affiliated with the University, IGIT is the first affiliated institute. IGIT has a dynamic Principal from IIT, Delhi with significant national and international achievements. It is envisioned to continue to develop IGIT amongst the best known Engineering Institutes in the country.

PROGRAMMES OFFERED

- B.Tech. (Computer Science and Engineering) - 4 years
- B.Tech (Electronics & Communication Engineering) - 4 years
- B.Tech (Mechanical & Automation Engineering) - 4 years
- Recently IGIT has introduced two new masters weekend programmes namely MBA(Enterprise Systems) & M.Tech(Electronics & Communication Engineering).

LABORATORIES

IGIT boasts of fully equipped state of the art basic laboratories in all the departments catering to the student requirements. In addition to these, certain advanced Labs are as follows:-

- Advanced VLSI Design Lab
- Mechatronics Lab

- Microwave Lab
- Linux Lab
- DSP Lab
- CNC Machine Lab
- Robotics Lab
- Digital Image Processing Lab

CAMPUS WIDE NETWORK

Each department and the administrative blocks have been equipped with servers and nodes interconnected using a local area network.

- IGIT has Intranet services, which provide important information like Lesson Plans, Assignments, and Examination Results etc to all students and faculty members.
- Interconnectivity between various departments, administrative block, library and the University web server is established using optical fiber and wire-less links.
- The IGIT website, which was launched in May 2002, gives complete information about IGIT and the available infrastructure. The URL is: www.ipu.in/igit/about.htm
- Various softwares have been loaded on servers and made available to the students and faculty members in a client-server computing environment.
- E-journal subscription facility is being used by faculty members of IGIT under the UGC-Infonet Scheme.
- It is planned to augment e-resources and facilities in the library of IGIT so that the students and faculty have access to state of art domains and research.

LIBRARY

The library is stocked with over 18,000 Books from the core fields of technology viz. computer Science, communications, electronics, mechanical engineering and automation to other areas like management, organizational behavior, robotics, IT etc. The air-conditioned reading room of the library houses a variety of journals and magazines to broaden the outlook of the students. The book bank with a collection of over 5038 Books has been operating since 2000 to cater to the needs of the underprivileged and economically weaker students of the institute. It is envisioned to further augment the library with interdisciplinary areas, research titles and strengthen the e-resources.

EXTRA CURRICULAR ACTIVITIES

To enhance the students' confidence, leadership qualities, attitude, management, communicative & creative skills, a wide variety of activities are organized every year:

- Student Secretaries as member of student's Council are appointed for organizing Technical, Cultural, Sports and Literary Activities.
- Zenith - The annual techno-cultural festival of IGIT is a wonderful showcase of the students' brilliance, talent and confidence.
- Membership of prestigious professional Societies such as the Institute of Electronics & Telecommunication Engineers (IETE), the Computer Society of India (CSI), the Students chapter of Institute of Electrical & Electronics Engineers (IEEE), USA, the Students Chapter of the Institute of Electrical Engineers (IEE), UK and the Students Chapter of the Society of Automotive Engineers (SAE), USA exist at IGIT. Students are facilitated to organize competitive events. Recently IMPULSE-2006 was a grand success for the students/faculty.
- Lectures, Seminars, Workshops and Industrial Talks are organized regularly.
- Continual efforts are in progress to enrich innovation potential, interdisciplinary skills, industry interactions and soft skills towards holistic development.

INDUSTRY INTERACTIONS AND TRAINING

- An industrial tour of two weeks is organized annually for the IV Semester students to various parts of the country during the summer vacation.
- A 6 week Summer Training is organized every year for IV semester students.
- The students undergo eight weeks of Industrial Training with the most reputed companies in the VI semester.

- Students take up live projects from Industries like HCL Technologies, ST Microelectronics, Yamaha Motors, NPL, DRDO, C-Dot, DMRC, etc.
- The support of GE Foundation, Bharti Foundation, Microsoft and other visionary organizations to promote/support the students based on merit and means leading to brighter careers and an improved industrial networking are being facilitated.
- Special efforts are in progress to improve the commitment of industry groups to help develop brighter career opportunities for women engineers.
- Endeavors to improve the Entrepreneurial skills are also being planned.

PLACEMENTS

It is indeed commendable that IGIT girls have in the past few years, established an enviable record in placements. The students have excelled in every field they have ventured into and have found acceptance in the Indian industry without any gender bias. It is because of the students' outstanding performance that respected names in the industry such as TCS, Infosys, Perot System, Mahindra British Telecom, Hughes Software System, ISRO, DMRC, Maruti Udyog Ltd. etc. have become regular recruiters and visit IGIT for placement every year. Nearly 95% campus recruitment is expected in 2006. The students are also encouraged and facilitated for competitive exams for future studies.

STUDENT ACHIEVEMENTS

- Top Kalpana Chawla Award for the most outstanding woman Mechanical/ Aeronautical Engineer by the Society of Automotive Engineers (SAE), India) awarded to the students for three consecutive years.
- Third Prize of Kalpana Chawla Award was obtained by IGIT student.
- The students have opportunities to win scholarships in various domains e.g. Bharti Foundation, GE etc.
- Best project awards in various branches of engineering among 12 engineering colleges/institutes affiliated to the University.
- Admission to 'A' Category foreign universities and world-class management institutes of India for higher studies.
- Second Prize was obtained for Society of Aeronautical Engineering.
- Fourth Prize was obtained by students on an innovative design and development for a DCE Event for SAE , 2006
- IEEE students organized a very successful IMPULSE-2007 as an inter-institute event with a focus on Innovations.
- Best Teacher Award of the University was won by IGIT faculty (2006-07).

FACULTY

IGIT has a team of well qualified and motivated faculty with a sanctioned strength of forty eight members. There are four well accomplished Professors who lead and guide the development of the institute and its departments. Thirteen faculty members have doctorate and many others are pursuing it. The faculty is encouraged to constantly upgrade their academic knowledge, teaching skills, research, publications, presentations, industry interaction etc. The faculty is involved in cutting edge research in the areas of Embedded System Design, Quantum Cryptography, Low Power Device Technologies, Robotics, CNC Machine Lab, Mechatronics, Mobile Adhoc Networks, Network Security, Digital Image Processing and object recognition, Emission studies from bio fuels used in India and Nanotechnology. It is envisioned to modernize/add-new labs e.g. Simulation, AI, Image Processing, e-security, Computer Integrated Manufacturing etc.

Prof. Subhash Wadhwa, Principal, IGIT

Dr. S. Wadhwa is former Professor from Indian Institute of Technology, Delhi with significant international experience. He is devoted to promote quality technical education in the country. He is fully dedicated to bring synergy between academics, research and industry with an aim to develop industry relevant teaching for wider benefits of the students. He did his Ph.D in Computer Integrated Manufacturing Systems from Europe. He has worked with European Strategic Programs on Research in IT and also with a US multinational. He has published more than 200 papers in reputed national / international journals and is known for his contributions to technology domains. He has been chief consultant/chief resource person/keynote speaker/national expert for local and global projects such as. European Commission, UNIDO, APO (Tokyo), Commonwealth etc. He is also a contributor to World

Bank supported Technical Education Quality Improvement Program. He has guided/guiding over 13 Ph.Ds (researchers) and 60 M.Tech theses in many engineering domains, including computer application in various domains e.g. FMS, ERP, SCM, e-Business, e-learning, Flexibility, CIM systems, Outsourcing Strategies, Innovation and Knowledge Management etc. As Principal IGIT, he openly shares his modern vision with students and faculty colleagues and stresses on teamwork to take IGIT to new heights.

He has taken several initiatives to promote innovation, interdisciplinary work, industry interactions, system focus, industry training and placement for the benefit of IGIT students.

Prof. Shail Bala Jain

Dr. Shail Bala Jain is a Professor and Head of Electronics and Communication Department at IGIT. She did M.Tech (Electronics & Communication Engg.) from IIT, Delhi and Ph.D (Electronics & Communication Engineering) from University of Delhi. She has 31 years of teaching experience at under-graduate and post-graduate levels. Her major areas of interests are Analog Devices and Circuits, EMT, Microwave Engg., pulse & digital circuits, Linear Integrated Circuits and Digital Signal Processing. She is also a senior member in IEEE and fellow member in IETE. She has published/presented a large number of papers in national and international journals/conferences.

COUNSELLING/ADMISSIONS

1. For the programmes for which Common Entrance Tests are being conducted, the University will prepare a list of qualified candidates separately for each Test Code in order of merit based on the marks obtained by the candidates in the said Tests. The result of Common Entrance Tests will be displayed on the University's Website (www.ipu.ac.in) on the dates specified in **Para 6 of Chapter 6**. The University will declare inter-se-ranks for qualified candidates only. No separate intimation will be sent to the candidates in this regard. All the admissions will be made through two counsellings to be conducted by the University as per the procedure prescribed in subsequent paragraphs, strictly on the basis of inter-se-merit of the qualified candidates. **There will be no Group Discussion and Interview for deciding the inter-se-merit for any programme. There will be no third counselling.**

3. PROCEDURE FOR ADMISSION THROUGH FIRST COUNSELLING

- (i) Detailed schedule of first counselling/admissions indicating the number of qualified candidates to be called for counselling will be displayed at 5.00 p.m. on the University's Website (www.ipu.ac.in) one week prior to commencement of counselling as indicated above. List of institutions along with the intake in the respective programme/s will be notified on the University's Website before the commencement of counselling.
- (ii) The candidates should report at the notified venue, date and time for counselling/admission in-person along with the documents mentioned in Chapter 14. On reaching the venue, the candidates must mark the Attendance. Allotment of seats to the candidates will be made only when he/she attends the counselling session in person.
- (iii) Firstly, the candidates will be called in order of merit/rank and shall have to produce the required documents for verification. Depending upon the merit, the seats will be offered to the candidates as per availability at that point of time. Each candidate will have to choose a seat out of those available when his/her turn comes.
- (iv) Admission Officer will give a duly signed Admission Slip after the deposition of the full fee by the candidate. No candidate should leave the venue of counselling without receiving the Admission Slip.
- (v) A candidate who fails to appear in person on the notified date and time for counselling, shall forfeit his/her claim for the seat which could be offered to him/her, had he/she been present on his/her turn.
- (vi) A candidate who is allotted a seat will be required to pay full fee as mentioned in Chapter 13 immediately on the spot at the time of counselling/admission. If a candidate fails to pay the fee, as mentioned above immediately after the seat is offered to him/her, the offer will be withdrawn on the spot and the seat will be allotted to the next candidate in the merit list. Part payment or payment through cash/cheque will not be accepted under any circumstances.
- (vii) The students admitted in first counselling would NOT be allowed to change the programme/institute during the subsequent days of first counselling. However, they may change the programme/institute during second counselling within the ambit of the programmes/institutes included in the specific Test Code after depositing an additional sum of Rs.5,000/- in the form of a fresh Demand Draft in favour of Registrar, Guru Gobind Singh Indraprastha University payable at Delhi. No change shall, however, be permitted for a programme for which a separate Entrance Test, has been conducted by the University.
- (viii) The candidates are also advised, in their own interest to check the details of fee, their name, rank, programme, institute of admission, etc. on Admission Slip issued to him/her by the Admission Officer before leaving the counselling hall. Provisionally admitted candidates are further advised to carefully check suffix (P) to their enrolment number printed in the Admission Slip.

- (ix) Admissions will be made strictly on merit basis (Rank-wise) and counselling/admissions will stop when all the seats get filled-up. Notice regarding closure of counselling will be displayed on University's Website. Parents/candidates are advised to check University's Website before coming for counselling. University will not be responsible for any inconvenience caused to parents/candidates due to closure of the counselling prior to dates notified in the Counselling Schedule.
- (x) The conversion of seats reserved for SC, ST, DEF, PH, Minority, etc. to General Category shall be done only during the 2nd counselling and **no such conversion will be allowed during the 1st counselling**. However, while converting the seats during 2nd counselling, any unfilled seat reserved for ST Category will be offered to SC Category and vice versa and only after completing this exercise, the conversion of the reserved category seats to general category shall be effected.
- (xi) **De-reservation of unfilled Outside Delhi Quota Seats to Delhi Quota:** Seats reserved for Outside Delhi Category will be converted to Delhi Category during 2nd counselling after exhausting the list of all qualified Outside Delhi Category candidates. It is clarified that no such conversion will be allowed during 1st counselling.

4. WITHDRAWAL OF ADMISSION AFTER FIRST COUNSELLING AND REFUND OF FEE

- (i) The candidates after getting admission in first counselling will be **allowed to withdraw the admissions upto 5.00 p.m. of 31st July, 2008**. (Academic) at Room No.108, Administrative Block, Guru Gobind Singh Indraprastha University, Kashmere Gate, Delhi-110403, before the said date and time. Any dropout after this notified time and date will lead to the forfeiture of the full fee deposited by the candidate and no subsequent request for refund of fee will be entertained.

5. ADMISSION THROUGH SECOND COUNSELLING

- (i) Detailed Schedule of Second Counselling for all the programmes, depending upon the number of vacancies created on account of withdrawal(s)/any other reason(s), will be displayed on 5th August, 2008 at 5.00 p.m. on the University's Website as well as on its Notice Board. The Second Counselling for all the programmes will tentatively be held at the same venue. No separate communication will be sent in this regard. It may be noted that the Academic Session of the University would start on 1st August, 2008.
- (ii) The second counselling will commence from rank one onwards for all categories/programmes and the seats will be allotted strictly on the basis of merit of the candidates. **Such candidates, who were absent in the First Counselling will also be permitted to attend the second counselling.**
- (iii) A candidate who fails to appear in person on the notified date and time for counselling, shall forfeit his/her claim for the seat which could be offered to him/her, had he/she been present on his/her turn. However, if the candidate reports late or reports on subsequent days during the process of counselling, he/she may be considered for allotment of a seat available at that point of time **provided he/she had not taken admission earlier.**
- (iv) Candidates who got admission during First Counselling are also advised to attend Second Counselling if they wish to change the programme/institute on the basis of their merit against the available vacant seat(s).
- (v) The students who take admission in first counselling would be allowed to exercise the option to change the programme/institute in the second counselling within the ambit of the programmes/institutes included in the specific Test Code after depositing an additional sum of Rs.5,000/- in the form of a fresh Demand Draft in favour of Registrar, Guru Gobind Singh Indraprastha University payable at Delhi. No change shall, however, be permitted for a programme for which a separate Entrance Test

has been conducted by the University. **However, this change of programme/institute will be allowed only if the candidate reports on the scheduled date and time. If he/she does not report on the scheduled date and time, then the right of change of programme/institute shall be forfeited and he/she will not be allowed to exercise this option for which the University will not be responsible.**

- (vi) **A candidate, who fails to exercise the option in person during Second Counselling, shall forfeit his/her right for a vacant seat even if he or she had higher rank, for which the University will not be responsible.**
- (vii) **The students having taken admission in second counselling would not be allowed to change the programme/institute in the subsequent days of 2nd Counselling. In the interest of the students, it is advised that they should carefully select the programme/institute before taking admission in the second counselling.**
- (viii) **The rest of the procedure for Second Counselling shall remain the same as for the first counselling.**
- (ix) **A candidate taking admission in the second counselling will not be entitled to withdraw the admission. In case a candidate drops out after taking admission in the second counselling, his/her full fee will be forfeited. It is advised in the interest of the candidates to carefully decide to take admission in the second counselling only if he/she intends to pursue the programme.**
- (x) **If any vacancy(ies) arise after second counselling due to any reason, the same shall not be filled-up by the University or the concerned colleges/institutes and will be treated as lapsed seat(s).**

(xi) **After the Second Counselling is over and the admissions are made by the University, there will be no Third Counselling and no admission will be made by the University or the Institutes thereafter.**

(xii) **IT IS MADE AMPLY CLEAR FOR THE BENEFIT OF THE CANDIDATES THAT ANY ADMISSION, OTHER THAN MANAGEMENT QUOTA, MADE DIRECTLY BY ANY INSTITUTE/COLLEGE WILL BE CONSIDERED ILLEGAL AND UNAUTHORIZED AND UNIVERSITY WILL NOT ISSUE ANY ENROLLMENT NUMBER TO ANY SUCH CANDIDATE(S). IMPORTANT INFORMATION

- (i) Students and their parents are advised, in their own interest, to visit the various Colleges/Institutes prior to the date of counselling to ascertain the location, other academic and infrastructural facilities available such as hostel, transportation etc. in the various colleges/institutes which may facilitate their decision-making at the time of counselling/admission. On the day of admission/counselling, the students will be required to take on the spot decision and no further time will be given to them ;
 - (ii) It may be noted that Appendix 15 contains the details of infrastructure and other facilities as made available to the University by the respective Colleges/Institutes. As such the institutions themselves are responsible for the authenticity of the information contained in this Appendix. The students/guardians are advised to confirm the veracity of the information contained in it about the different Institutes ;
 - (iii) If it is found at any stage during the entire period of the programme that the candidate has furnished any false or incorrect information in the application form or at the time of counselling/admission, his/her candidature for the programme will be cancelled summarily. In addition, disciplinary action may be taken against him/her as per the University rules ;
 - (iv) If the University is not satisfied with the character, past behaviour or antecedents of a candidate, it can refuse to admit him/her to any course of study of the University ;
 - (v) The Vice Chancellor may cancel the admission of any student for specific reasons and debar him/her for a certain period ;
 - (vi) Only qualifying the Common Entrance Test shall not, ipso facto, entitle a candidate to get admission to a programme ;
 - (vii) It will also be the sole responsibility of the candidates themselves to make sure that they are eligible and fulfill all the conditions prescribed for admission. Before filling-up the verification slip at the time of counselling/allotment of seats, candidate should ensure that he/she fulfills all eligibility conditions as laid down in this Admission Brochure.
- If it is found at any stage during the entire period of the programme that the candidate does not fulfill the requisite eligibility conditions, his/her admission will be cancelled and also disciplinary action will be initiated against him/her and entire fee will also be forfeited ;
- (viii) The merit of the CET will be valid only for the programme for which the candidate has appeared and cannot be utilized for admission to any other programme. **Further, the merit of the CET-2008 shall be valid only for the academic session 2008-09 ;**
 - (ix) RAGGING : Rules in terms of ordinance relating to maintenance of discipline amongst students of this university are as under :
 - Ragging in any form shall be strictly prohibited within the premises of the University, a college or an Institute, as the case may be, or in any part of the University system as well as on public transport, or at any other place, public or private ;
 - Any individual or collective act or practice of ragging shall constitute an act of gross indiscipline and shall be dealt with under the provisions of ordinance under reference ;
 - Ragging, for the purposes of ordinance under reference, shall ordinarily mean any act, conduct or practice by which the dominant power or status of senior students is brought to bear upon the students who are in any way considered junior or inferior by the former and includes individual or collective acts or practices which -
 - (a) Involve physical assault or threat to use physical force;
 - (b) Violate the status, dignity and honour of students, in particular female students and those belonging to a schedule caste or a schedule tribe;
 - (c) Expose students to ridicule or contempt or commit an act which may lower their self esteem; and
 - (d) Entail verbal abuse, mental or physical torture, aggression, corporal punishment, harassment, trauma, indecent gesture and obscene behaviour.

Appendix 5

Guidelines for Filling up the Application Form for CET-2008

- (i) The candidates are advised to go through the Admission Brochure carefully and acquaint themselves with all requirements in respect to filling up of the Application Forms for CET -2008.
- (ii) It will be the sole responsibility of the candidate to make sure that he/she is eligible and fulfills all the conditions prescribed for admission.
- (iii) If ineligibility of a candidate is detected at any stage before or after examination/declaration of result or during any stage of the programme, his/her candidature/admission will be cancelled without any notice, disciplinary action will be taken against him/her and entire fee will also be forfeited. The Vice Chancellor, Guru Gobind Singh Indraprastha University may cancel the admission of any student for specific reasons at any stage.
- (iv) The candidate must fill the application form in his/her own handwriting, clearly, legibly and in block letters.
- (v) The Application Form should be filled in English only.
- (vi) Incomplete application form will be summarily rejected and no request will be entertained in this regard.
- (vii) First, write in capital letters the required information with a **black ball point pen** in the boxes (wherever provided) and then darken with **HB pencil**, the appropriate ovals (indicating the relevant alphabet/numeral) underneath each letter. What you write in the boxes is only for your guidance and for verification that you are darkening the correct alphabet/numeral in ovals.
- (viii) **Test Code** : Please darken the ovals pertaining to test code, in the application form, indicating the code of the test for which the candidate wants to appear. **If more than one oval is darkened, the Application Form will be rejected.** If the candidate is desirous of appearing in more than one Test, separate Application Form should be submitted for each test. Photocopy of the Application Form will NOT BE ACCEPTED. Test code should match with the name of programme filled in Column. 1. In case of mismatch only Test Code will be taken into consideration for issue of Admit Card and any request/application for change of Test Code will NOT be entertained.
- (ix) **Name of the Candidate:** Candidate should write his/her Name in CAPITAL LETTERS as given in Class X or equivalent certificate. Write a single letter in a box. Do not leave any blank box within any word of your name. Leave only one blank box between consecutive words of your name. If your name has several initials, leave one blank after each of them.
- (x) **Name of Father/Mother:** Write the name of your Father or Mother exactly as in your Class X or equivalent certificate. Leave one and only one blank box between consecutive words of your father's/mother's name.
- (xi) **Date of Birth:** Enter the date, month and year of your birth as per English calendar and as recorded in your School/Board (Class-X)/Pre-University examination certificate. Use numerals 01 to 31 for Date, 01 to 12 for Month and four digits for Year of birth. For example, if born on 19th June, 1990, the date should be entered as follows: 19.06.1990. Darken the appropriate ovals for date, month, and year in each column.
- (xii) **Category:** Darken the appropriate ovals for your categories - SC, ST, OBC, Physically Handicapped, Defence and J&K Migrant. Categories once declared by the candidate, cannot be changed at a later date (at the time of counseling/admission). **If no category is specified, you would be considered as falling under 'General' category only. And, no claim whatsoever shall be entertained thereafter.** If a candidate falls in more than two categories, he/she can darken more than one oval, e.g., if a candidate falls in SC & Physically Handicapped Categories then he/she should darken the ovals for SC and PH Categories.
- (xiii) **Gender:** Darken the appropriate oval indicated for 'Male' or 'Female'.

- (xiv) **Region:** Darken the oval titled “Delhi Region” if you have passed your qualifying examination from any school/college located in Delhi or from any institution affiliated to GGSIP University. Darken the oval titled “Outside Delhi” if you have passed your qualifying examination from any school/college located in any other part of the country (India) excluding the institutions affiliated to GGSIP University. If no region is specified, it will be considered as ‘Delhi Region’.
- (xv) **Qualifying Exam :** Darken the oval titled “PASSED” if you have already passed the 10+2 or any other specified qualifying examination, which makes you eligible for the Entrance Test. Darken the oval titled “APPEARING” if you are appearing for the examination, which makes you eligible. The title “APPEARING” covers the cases of “APPEARED” candidates also.
- (xvi) **Religion:** Darken the appropriate oval.
- (xvii) **Nationality:** If your nationality is Indian, darken the oval indicated for “INDIAN”. If your nationality is not Indian; darken the oval indicated for “OTHERS”.

Appendix 7

Instructions to be Followed in the Examination Hall

- (i) Five minutes before the commencement of the test, each candidate will be given a sealed Test Booklet and OMR answer sheet.
- (ii) The OMR answer sheet is of special type which will be scanned by an optical scanner.
- (iii) Immediately on receipt of the Test Booklet, each candidate shall fill in the required particulars on the cover page of the Test Booklet with a ballpoint pen only. He/she shall not open the seal of the Test Booklet until asked to do so by the invigilator.
- (iv) Candidate will then write the required particulars on OMR answer sheet with a black ballpoint pen. After this, they will wait for the signal by the invigilator to start marking the responses.
- (v) The Test will start exactly at the time mentioned on the Admit Card and an announcement to start will be made by the invigilator.
- (vi) While the test is in progress, the invigilator will check the Admit Cards of the candidates to satisfy himself/herself about the identity of each candidate. The invigilator will also put his/her signature in the space provided for the purpose on the OMR answer sheet as well as on the Admit Card.
- (vii) The candidate will have to sign the Attendance Sheet against his/her CET Roll Number.
- (viii) A signal will be given at the beginning of the Test and at half the time. A signal will also be given at the closing time when the candidates must stop marking the responses.
- (ix) No candidate, without the specific permission of the Centre Superintendent or the invigilator concerned, shall leave his/her seat in the examination hall until he/she has finished his/her paper and handed over the Test Booklet and the OMR answer sheet to the invigilator on duty.
- (x) After completing the Test and before handing over the Test Booklet and the OMR answer sheet to the invigilator, the candidates are advised to make sure that all the particulars required in the Test Booklet and the OMR answer sheet have been correctly written, i.e. CET Roll Number, Name of the Candidate, Centre Number, Test Booklet Number, Test Booklet Code, Test Code etc.
- (xi) No candidate will move out of the examination hall until the time prescribed for the test is over.
- (xii) No candidate will take away the Test Booklet and/or the OMR answer sheet from the examination hall.
- (xiii) **A candidate must bring his/her own black ball point pen to fill the answers in ovals of OMR answer sheet.** In case the ovals are filled by any instrument other than the ball point pen, then the answer sheet may be rejected by the optical scanner when the same is being scanned. In all such cases, the responsibility shall rest on the candidates.
- (xiv) The candidate must ensure that the answer sheet is not folded. Also, he/she should not make any marks or write any kind of description on it.
- (xv) Candidates are advised to be sure about the correct answer before they darken the oval with ball point pen. They should also ensure that the each oval is completely darkened with ball point pen, partially or faintly darkened ovals may be rejected by the optical scanner. It may also be negatively marked.
- (xvi) Each question carries four marks. For each incorrect response, one mark will be deducted from the total number of marks obtained by the candidate. No deduction from the total marks will, however, be made if no response to a question is indicated. Candidates are advised not to attempt a question if they are not sure of the correct answer. If a candidate darkens more than one oval against a question, it will be deemed to be an incorrect answer and will be negatively marked.
- (xvii) The Test Booklet Code filled in by the candidate in the OMR answer-sheet will be accepted as final for the purpose of evaluation. When the space for the

Booklet Code is left blank or more than one booklet code is indicated therein, it will be deemed to be an incorrect booklet code and the answer sheet will not be evaluated. **The candidate himself/herself will be solely responsible for all the consequences arising out of any error or omission in writing the Test Booklet Code.'**

- (xviii) No candidate should do any rough work on the OMR answer-sheet. Rough work, if any, is to be done only in the Test Booklet at the space provided.
- (xix) Candidates should check to make sure that the Test Booklet contains the number of pages as mentioned on the top of the first page. In case the numbers do not tally, it should be immediately brought to the notice of the invigilator. The candidates shall not remove any page(s) from the Test Booklet and if any page(s) is (are) found missing from a candidate's booklet, he/she will be proceeded against and shall be liable for prosecution under relevant provisions of Indian Penal Code.
- (xx) Smoking in the examination hall during the conduct of the test is strictly prohibited ;
- (xxi) Tea, coffee, cold drinks or snacks are not allowed inside the examination hall during the test.
- (xxii) Candidates shall maintain perfect silence and attend to their papers only. Any conversation, gesticulation or causing disturbance in the examination will be deemed to be an act of misbehaviour and is, therefore, strictly prohibited. Also, if a candidate is found impersonating or using unfair means, his/her candidature will be cancelled and he/she will be liable to be debarred from taking the entrance tests either permanently or for a specified period depending upon the nature of the offence, in addition to any other action which may be taken under the Indian Penal Code.
- (xxiii) If any candidate is found using any unfair means or does not observe discipline during conduct of the Entrance Test, the University will take necessary disciplinary action against such candidate as per its rules.
- (xxiv) In case of any confusion, invigilator may be contacted.
